

JEC World 2020
ESI Presentation Program

	May 12	May 13	May 14
11:00 AM	Engineering an Innovative Green Car (ESI)	Electrical vehicle Gearbox demonstrator development (Hervé Motte - ARRK Shapers France)	Simulation in support to C-RTM process development (Astrid Frapsauce - IRT M2P)
12:00 PM	Simulation in support to C-RTM process development (Astrid Frapsauce - IRT M2P)		Engineer high-performance parts in FRP (ESI)
1:00 PM			
2:00 PM		Simulation in support to C-RTM process development (Astrid Frapsauce - IRT M2P)	
3:00 PM	Electrical vehicle Gearbox demonstrator development (Hervé Motte - ARRK Shapers France)	Reduce overdesign for Aero design components (ESI)	
4:00 PM	Mass producing - mass reducing (ESI)
